732-784-0824

**Ages 13-19**

**Friday Evenings at 7:30 pm - 8:30 pm**

**Class Runs from September 13th - December 20th**

**January Performance  
With Character Breakfast!**

Students will learn songs, choreography, and monologues, and be directed on how to audition for a musical theater production. They will use those techniques and apply them to the mini audition and casting process of the stage production of "Beauty & The Beast." All students will be given parts that include both solo and ensemble pieces. Each week they will rehearse their parts and songs with the vocal director, learn choreographed dances and stage blocking, and experience working from a script. There will be additional time afforded to the students, during one intensive workshop, to fine tune their parts - date to be announced. There is one technical rehearsal (dress rehearsal) and the performance will take place in January. Scenes, props, and costumes will be provided.

**Cost: \$375.00**
