

## The Sound Garden COVID-19 Protocol

**The Sound Garden will be following all state regulations regarding COVID-19 health protocols throughout the length of the musical theater program, to ensure our students' and instructors' health and safety.**

- All students and staff are required to wear masks when participating at in-person rehearsals or classes, for Musical Theater Programs. Masks will be worn correctly: over both the nose and mouth.
- All students will have their temperature checked at the door, prior to entering the facility. Any student with a temperature of 100 degrees or more, will not be permitted to enter the facility.
- Students will also use hand sanitizer prior to finding their seat, and continue to be encouraged to use hand sanitizer whenever handling equipment, materials and costumes. Sharing of stage items will be kept to a bare minimum.
- All equipment, materials, costumes, and bathroom(s) will be sanitized in between class uses.
- No student will be permitted to eat during class. Water is permitted, however, it must be in a clearly marked container with the student's name.
- Students will socially distance themselves whenever possible.
- Parents and siblings are not permitted inside the building or rehearsal space during the class, in order to limit class capacity and exposure.
- If a student has been directly exposed to someone who has tested positive for COVID-19, the student will not be permitted to attend class for a minimum of 10 days. A negative test is required to return to the program.
- If a student is sick, they will not be permitted to attend class. Instructors will have the right to send a student home if they deem them to be ill.

*I have read and agree to all attendance policies and procedures above.*
